“ This is Liz Allen Haefs. I first knew of Billy Bob and Aletha through my parents Walter and Billie Joy Allen. I think they knew each other all the way back to Southwestern Baptist Seminary in Ft. Worth where my parents were working toward completing requirements for the Foreign Mission Board. They served over a span of 1961 - 1991 years in East Africa. They spoke of the Moores often and considered them special friends. My dad Walter passed March, 2016, Mom passed October, 2020... They are both there happily greeting Billy Bob... What a reunion!!!

We, my husband Wes & I established and served at the House of Refuge in Corsicana from 1985 through 2007 when we moved to East Texas to care for aging parents. We continued serving with the House of Refuge until my father passed in 2016. We still have strong roots in Corsicana and love the many wonderful friends there.

Praying for comfort for all of the Moore family.

Sincerely,

Wes & Liz Haefs

“ Philip, this is Alan Duncan, son of Marshall and Margie Duncan, and older brother of Kenny. We lived at Shauri Moyo and Limuru, while you were in Nairobi. My mother went to heaven many years ago, as she died in 1983 of cancer. Dad remarried a sweet lady, Julia, and they served until their retirement from Kenya in 1990. Seems like I remember we carpooled with you guys regularly to Rosslyn Academy, or at least rode the bus from Westlands. I was saddened to read that Steven and your mother had passed away. Do you remember RAs at Parkland Baptist Church, with Journeyman Sam DeVore?

My sincere condolences on the loss of your father, and it was a blessing to read how the Lord had used him through the years. How could I ever forget a name like Uncle Billy Bob! I am here at the hospital in Knoxville, with my dad, who is 95 years old. He is ready to go to heaven, and no longer responding. It will be a sweet reunion for all of our parents together in heaven with the Jesus they served so faithfully. It would be a privilege to hear from you, at your convenience. My mobile number is 865.712.1118. Praying for you and your family, and the loss of his presence, but we know your dad is alive and well forever more!
