

Dr. Joe Glicksman

March 18, 1936 - October 30, 2019

Joseph M. Glicksman, known to his friends and family as The Fox, passed away on October 30, 2019. His memorial service will be held graveside at 3pm on Saturday, November 2, 2019 at Oakwood Cemetery in Corsicana with a come and go reception to follow at Across the Street Bistro, 123 N. Beaton Street, Corsicana, Texas from 4 - 7 pm.

Dr. Joe was born in Chicago, Illinois on March 18, 1936. His family later moved to San Antonio where he completed high school at Thomas Jefferson. He had a lifelong love for his alma mater Texas A&M University where he served in the corps of cadets and graduated in 1958 Phi Beta Kappa. He earned his medical doctorate at University of Texas Medical Branch Galveston and interned there at John Sealy Hospital. He served in the United States Public Health Service from 1964-66 in Houston, Texas and later did a dermatology residency at Baylor Medical Center in Houston. In 1969, he was the 13th doctor to join the Medical Arts Clinic in Corsicana where he faithfully served his community for over 40 years.

The Fox was a self-described renaissance man who was larger than life. The nickname he earned on a hunting trip stuck with him and he used it to sign checks, make dinner reservations, and as a moniker throughout his life. He knew a few phrases in many languages. He had a passion for gourmet food and wine. He was a member of the Commandrie de Bordeaux. His dinner parties were legendary including being sought after auction items at several charity events. He was raised in the Jewish faith but the thing that resonated most for him with his heritage was the food. Travel was another hobby he enjoyed, especially to wine country regions in France and California where he befriended some of the world's greatest winemakers. He was a pilot in his younger years. He also had a love for dance and most especially push dancing, also known as whip or west coast swing. Blues music was an all time favorite genre. He never met a stranger and was a loyal friend to people from all different walks of life over the years.

His greatest pride of all was for family, his small town community of Corsicana, where he served on many boards and commissions over the years, and the fighting Texas Aggies.

He loved to be home and surrounded by family more than anything in life. He is predeceased by his parents Aaron and Daisy Rosenbaum Glicksman, his sister Joan Glicksman Wish and his wife Gloria Glicksman. He is survived by his brother Leon Glicksman, his wife Judy and family; his son Kyle Glicksman, his wife Rockie; and daughters Paige Mims and her husband Jeff Mims and Brooke Lipscomb and her husband Dr. Jody Lipscomb. He also is survived by grandchildren, Lauren Norch, Sloan and Coco Glicksman, J, Merideth, Elizabeth and Margaret Mims, and Jackson, Savannah Grace, and Lilly Claire Lipscomb and great grandchild Jackson Mims.

A special thanks to Carol Johnston Burnett who was a loving friend and companion and brought so much joy and happiness to Joe's life. Also, thanks to the wonderful people who took such great care of him recently when he needed it most, LaTonya Nathan, Diana Reese and Susana Terez. A big thanks too to his doctors, especially Kent Rogers, and his son, Kyle, who also provided great support to him in his later years.

The Fox's favorite quote was to love is nothing, to be loved is something, but to love and be loved is everything. He loved and was loved and he lived life on his own terms with no regrets. As he frequently said, be brave.

“ Dr Glicksman saved my life. I went in to see him for some minor something. He told me that a person of my age should be getting an inspection yearly. So the next year I did as he said and scheduled with his office for a yearly inspection. He had told me that every year around my birthday, I should schedule a this inspection of my birthday suit. Sure enough, he found a melanoma during that inspection and removed the cancer. I have done as he instructed every year. Thank you, Dr Glicksman.

“ Fox,
You entered my life 30 years ago by accident. You were stood up on the docks by a local fishing guide who overbooked his charter for that day.
The guide asked me if I could fish you and I gladly obliged. From that day we became very good friends and it lead to numerous hunting and fishing excursions from that day forward. I was truly blessed.
You and I confided in each other regarding family, friends and everyday ups and downs. You became a mentor and a second Father figure to me over the years. I am greatly appreciative how you helped me become a stronger person and how you also taught me to become a more caring and loving persons.
Our last few conversations you said how you were very happy and pleased how Kyle came from his rebel teen years into a good Man he is today. You also boast about Brooke, Paige and the Grand kids during our conversations.
I remember that one phone call out of the Blues somewhere around 10 am one day. I asked Fox. What's wrong? He says she's gone. I said who's gone? Carol he said. Then it was dead silent. I said Fox, you're the world's greatest Fisherman this side of the Mississippi. She'll be back. He says, Yeah I know.
The next day I called Fox to see if his spirits were lifted. Fox answered with a kid like voice, Yeah, She's back.
I reiterated, you're the Greatest and we both laughed.
So, for all the family members I'm sorry for your loss and wished I could've joined in the celebration of life to our FOX.
He will always be in my heart and remembered as a dear friend. Tight-lines and full stringers Fox. I love you. Be Brave!!!!

With deepest regards,

Eddie Neumann aka Mr. Ed
