“ Jim and I were classmates and in 10th Squadron together. Jim always had an infectious smile and a kind word. We saw each other at every reunion and had a lot of good laughs together. We will miss him. Our love to all of you as you mourn his passing.

“ I am saddened to hear of Jim's passing. He was always a good friend to me. We attended the USAF Academy Prep School together and were both in 10th Squadron as cadets for our last 3 years at the Academy. I have many fond memories of Jim including water polo at the Prep School, his apartment in the Springs, lacrosse, games, his blue Corvette, the snowdrift he put that Corvette in on our senior (I showed my son-in-law) the curve where that snowdrift was this past January), our 10th class reunion and many more. We shared a love for flying. My wife, Linda, and I enjoyed spending time with Jim at the 20th and 25th reunions. We stayed in touch a little, especially around reunions. I last heard from Jim just before the 40th reunion. For over 45 years he was always a supporter and cheer leader for me. He will be missed. We are praying for Jim and hope to see him again in Heaven. We are also

praying that his family will know the peace of God as they remember a great guy.

“ Jim and I went to college together at the U.S. Air Force Academy. We were squadron mates and as such lived our lives at the Academy in close quarters. I saw Jim every day whether in classes, dining together, marching or playing sports. I will always have memories of his wide grin and enthusiasm, even during the most challenging times one undergoes as a military cadet. Everybody loved Jim. Our class of 1974 cadet squadron has remained close knit over the years and it was wonderful to see Jim at our Academy reunions where we'd "catch up" and relive our cadet days. I will miss his wit, smile and friendship. Bob Finnegan

“ I was very sorry to hear this news. Jim was one of my best friends throughout the USAFA Prep School and the Academy. I remember water polo games at the Prep School, staying at his apartment in the Springs, his blue Corvette, and much more. We kept in touch a bit, especially around class reunions and it was always good to see Jim. He was an upbeat supporter for me. My wife, Linda, also enjoyed the time we spent with Jim at reunions. We have prayed for him and hope to see him again in Heaven. Lou Crooks

“ Jim and I (Chuck Riedl) were room mates at the Air Force Academy. We lost track of each others but reconnected at our 40th reunion. He was a great classmate and friend. There are many happy stories that we shared. I am very happy to have been able to call him a friend.

I would like to express my deepest sympathy to his family.

Chuck Riedl - March 21, 2018 at 09:54 PM

“ Jim was a wonderful classmate and friend. We came of age together as members of Cadet Squadron 10 (Tiger Ten). In the intensity of our lives at the Academy he always had a smile and a plan for the next weekend to ease our frustrations. We were instructors together in training command, and then our careers changed as I continued a career in the Air Force and he pursued a successful career in the airlines. I want the family to know Jim had innumerable friends in his flying career who join you in celebrating his time here on earth.

I just this evening learned of his passing, and like all of his classmates and friends, want the family to know just how important he was to us as a classmate and friend.

“ To the Maples family and especially to my sister-in-law Sharon, Jim was always so kind and nice to me when in school. We enjoyed visiting with him in Charlotte a few years ago. He was so funny and told such good stories of his travels. May God bless you and give you strength and peace during this time, Brenda Ponder Crenshaw
