“ Mike helped my daughter and me when she decided to show rabbits in 4-H. He was never too busy to answer a call for help or answer questions along the way. I always enjoyed getting to visit with him. He will be missed.

“ My daughter will forever be grateful for all of Mike's help and support with her rabbit projects. He was always willing to answer any questions, helped her grow her rabbitry, and improve her genetics. She has has been able to in turn now help other kids. She has her beloved gentle giant buck, "Goliath", thanks to Mike. We know he is joyously received in heaven. Our heartfelt condolences to his family.

“ Mike...the gentle Giant! He had a servant's heart which showed through his hobby of raising rabbits and helping EVERYONE, but mostly the children! He would jump through hoops to help secure a project for a child regardless of the time or money it would involve. He always had a smile and something nice to say to everyone! The old saying "If you don't have something nice to say don't say anything at all", well, Mike was ALWAYS talking! lol . His love of family MIGHT be the only thing he did better than helping others! He was always talking and posting about his family. He was VERY proud and loved each one of them and it showed! We all will miss you Mike, and I am lifting the family to our father for peace and comfort, but I am very happy to know that you knew our Lord & Savior and you are dancing with the angels, so this is not goodbye my friend, just "till we meet again"!

Until tomorrow my good friend...
