He was a fine family man, devoted husband, and father who was happiest when they were all together. Mike and Stacy loved the camping life and spent many years taking their sons, nephew Chad, and their friends to the mountains. The week before his passing, Justin, Zonia, Harley, and Rebecca joined him and Stacy at one of their favorite places to visit, Red River, NM. Their being around him gave him so much joy. In retirement they continued with their travels, he and Stacy enjoying many years in their RV together in the mountains, Fredericksburg, and the coast. His passing will leave a

huge empty place in their lives. Mike had a very kind heart, always willing to give anyone a helping hand.

“ Well little brother you have pulled a quick one on me this time. I always expected I would sneak out on you 1st, "you little fart"; but you finally beat me to the punch. It was always my pleasure to be your big sister and I love you deeply even now. Tell Mom, Dad, Shae, Brenda Kay and Linda Gail I say hi to all of them; but I am going to stay a while longer down here. I still have unfinished business, as you know little brother.

“ Dear Stacey , Justin, Vicky and all of Mike's family
The only thing I ever won was with Mike Rogers and his wonderful dad. Minor Oranges , Corsicana City Champions 1962. The real " Boys of Summer" . I still believe in all my heart that if that great group could have stayed together we would have won a World Seris.
Then there was the Dairy Queen. It was Mike and Billy that taught me you order a cheeseburger basket with mayonaise or a steak finger basket with gravy.And oh yes , a cherry coke. A capella , man could Mike sing and yodel. But this is not the story , it is Mike the man. I was around Mike enough as an adult to observe these truths. Mike was the gold standard of how a man should cherish his wife and children. Mike worked a physical hard and dangerous job and I greatly admired his courage. But my greatest admiration for Mike Rogers was how he so greatly loved Stacey and his boys. All men should feel about their family as Mike did for the family he so loved. As an adult I wished I could have been a better friend, the kind that Mike and Stacey were to us.
Dear Friend Mike , may God comfort your family and all of us who loved you.

I hear that lonesome whippoorwill
The midnight train is whining low
I've never seen a night so long
The moon just went behind the clouds
To hide its face and cry
Did you ever see a robin weep

I'm so lonesome I could cry
