

## Sandra Stallings

April 3, 1949 - April 24, 2021

On Saturday April 24, 2021, Sandra Stallings, the loving mother and grandmother passed away at the young age of 72.

Sandra was born on April 3, 1949 in Corsicana, Texas and there she was raised. Sandra was married to Louis Stallings on January 8, 1967. Sandra was a proud mother to children Kenneth Stallings, Louis Stallings Jr. and Michelle Easley. Sandra was also the proud grandmother to Nicky Milligan, Kensley Blue, Brittany Leerskov, Kenny Stallings, Cole Stallings, and Logan Stallings. Sandra was also the great grandmother to many beautiful great grandchildren Ethan Blue, Kaylee Williams, Braden Blue, Brynlee Williams, Jayden Milligan, Addilyn Leerskov and Mia Campbell. She was a proud mother in law to Sherri Montfort and Julie Stallings. Although her son and daughter in law divorced Sandra took pride in still keeping Esther Avery close to her heart and loved her like a daughter.

Sandra loved to cook, cooking was her love language. She would spend hours upon hours standing in front of the stove in the kitchen making the family food. She always wanted to make sure everyone's bellies were full. She took lots of pride in her famous tamales and tortillas she made. Everyone always knew holidays meant tamales. Sandra also had a love for the out doors and had a green thumb. She loved having a garden and loved planting flowers. The yellow rose was her favorite flower. Sandra loved the movie Urban Cowboy and the theme song "lookin for love". She also had a love for John Travolta.

No matter where Sandra was she had an infectious smile and was just blessed to be there and be part of whatever it was she was attending. Her kind heart just drew people to her. She never judged a book by its cover and loved the person for who they were flaws and all. Sandra was passionate about anything she did and the main thing was her family. Family meant everything to her and her main goal was to always make sure the family was all okay. Sandra will deeply be missed by all.

Visitation will be Wednesday, April 28, 2021 from 6:00pm - 8:00pm at Griffin-Roughton Funeral Home.

“ Sandra was always smiling. I went to school with Sandra. She bought my late mother's house on 2nd Ave. She was so excited at closing and ready to move in. I sure hated that I didn't know of her passing. I would have attended her funeral. Sometimes I would see her at Texas Oncology as we were both patients there. It broke my heart when I found out of her passing. I still pass her house on 2nd Ave. It looks so sad. The big planter in the yard always drew my attention because my daddy made it when they lived there years ago. Sandra always had something growing in it.  
Well Sandra rest in peace and prayers for your family. I pray I will meet you in heaven.

“ Sandra was one of the sweetest women you could meet. I went to school with her at Drain Jr. High. I hate I didn't know about her passing till today. Sandra bought my mothers house on second ave. When I past her home I always looked at the house. I just notice the train car storage container had been move out so that is why I knew something wasn't right. Sandra will be missed by many and I am one of the many. If one of you children will call me I would appreciate it. 903 851-4766. Again I am very sorry for your loss. Sincerely Carol Horvath

“ Sandra was one of my dearest friends ,We became acquainted about 15 yrs. ago when her granddaughter Nicky came to work for me. We became so close, she treated Me and Ted as her family. She always stopped by to rest when she went to Walmart or HEB. I

am gonna miss her ALOT,. coming round the office, bringing us tamales,dumplings,and cabbage rolls, having Nicky mess with her phone or just visiting. She was a regular . We laughed alot with her and went thru some difficult times with her. She was quite a woman, who was strong, and gentle all in one..Her kindness was contagious, and she loved her music..Oh! Sandy I know you are in Heaven now,dancing with the Angels, I Loved You and I Hope to see you one day:)

Love, Connie and Ted Pair
