“ My Uncle Thomas was a good man!! I loved to sit and listen to him talk about hot rod cars, growing up and how he loved to play football in high school. He was such a kind and generous person who loved his nieces and nephews, as much as he loved his sports... He was the MASTER at cooking RIBEYES on the grill and how he perfected this I will never know, but I do know, I will miss him every single day of the rest of my life. Remembering him sitting there, in his chair, under his shade tree, just enjoying the sunshine and shade. William Thomas Logan, you are what an uncle should be and I will never ever forget you.. R.I.P. I LOVE YOU, Angela
