“ Oh, dear Pat. My heart had been with you for so many years. Now we grieve deeply with you once again with the passing of Aaron. He was a wonderful child and determined young adult who accomplished much good. We all loved him. I can hear him sing "Father Abraham had many sons..." He is joined in heaven with them. God bless you and I pray for His comfort to be with you every moment. Love, Dorene and family.

“ Aaron was my dear nephew, who always showed love and compassion to me. We shared our trust in our Heavenly Father and always found joy in being with each other. I only wish we had lived closer and could have shared more hugs. Deepest sympathy to my sister in law, Patricia, with love and many prayers for comfort and grace in these oh, so difficult days!
