“ We may never understand why God chose to bring Adam home so early in his life, but I believe that its because he needed an Angel in Heaven and so he chose Adam. Even with all the tears we shed now, we know in our hearts that Adam was a Angel here on earth (Anyone that knew Adam knows this to be true) I will truly miss that smile of his and that hug he would give me every time I would see him, but most of all I will miss the first thing he would say when he would see me (Hi Aunt Rhonda) I weep tears of sorrow, and I know those tears are really only for the myself and the people he left behind, we all know that Adam is in a perfect place reserved only for one of those special people that we where truly blessed to have in our lifes. Adam I Love You!
Forever yours, Aunt Rhonda

“ Adam, how can words ever express what you mean to me and what this is doing to me? You were my baby boy for 26 years and I wish I had that many more. You have had your highest highs and your lowest lows, but you have always lived life to the fullest. There was never a stranger that you met. I know that life goes on, but there is a huge hole in mine now. Just to get that big bear hug and kiss one more time and feel your love. I love you with all of my heart and soul. I pray that you are at peace now. I'm sorry that you had to go this way. I love you always and always...and more. "Your favorite Aunt", Angel

“ THIS IS ONE OF THE HARDEST THINGS ANYONE CAN GO
THREW. ADAM WAS MORE THAN A BROTHER TO ME AND
WILL ALWAYS BE REMEMBERED. ONE OF THE GREATEST
GUYS IVE EVER KNOWN AND A GOOD TIME WAS ALWAYS
HAD WHEN HE WAS AROUND.HE HAD A KNACK FOR BEING
AT THE WRONG PLACE AT THE WRONG TIME. BUT THAT
NEVER MADE HIM A BAD PERSON. HE WAS STILL A GREAT
GUY THAT CARED FOR ALOT OF PEOPLE AND WOULD DO
ANYTHING FOR ANYBODY. I LOVE YOU ADAM

“ I have so many wonderful memories of Adam over the last 14 years.
He has grown to be such a loving, handsome and loyal young man
to his friends and family. He was so sweet and such a "funny man",
always cutting up and making people laugh and happy. I wish you,
Angel, Debbie and your entire family, peace and understanding in
this time of tragedy. I will be praying for you all and know that he is
in a wonderful place. All my love, thoughts and prayers. Tami

“ Donny & Debbie,

Our hearts go out to you. As parents who have lost a child in a car accident I know there are no words that I can say.

Adam was a beautiful person inside and out. Always kind words and a grin is what I will always remember.

What gets me though and a honor to my son. There will never be a day as bad as this one, so no matter how bad a day is from now on I will smile through it because it will never be as bad as the day I buried my son.....

“ *We will never know why God took my only brother, my best friend, someone who loved life and was always happy. He loved everyone and everyone loved him. He has always been there for me to tell it will be okay and it's hard not to hear him say those words even though I feel it. I know he's telling us all it will be okay and not to cry. I know he's in Heaven having a good time. It's so hard to still be here without him. Can't wait to get there to see him again. I can't wait for him to visit me too. I hope that I can live my life with half as much energy and laughter as he did. I think he was sent to us to show us how to live like he did "LIKE HE WAS DYING"... I miss you so much Bubba... and love you more than you will ever know... can't wait to see you again... keep your stats AND standards up there with those pretty Angels ;) LOVE YOU SOOOOO MUCH!*

“ There's not a day that goes by that I don't stop to wonder how you are doing. I keep going back and wondering why this has happened and the only thing I can think of is that you wanted to see how strong we could be on our own. It's hard....but we live day to day. Your babies are beautiful. I wish that I could see them more often, but the time that I have had was precious. Like I said before just to hear "Hey Babay"... Mardi Gras was good, missed ya, but you were with us. Keep your arms around your mama and sister they need you always. I love you soooo much.

“ Hey booo, just checking in. Been having a rough time lately. Hope you are settling in. I had to laugh when we realized we had been talking, drinking, kissing your feet. I'm sure you were getting a good laugh. That's about the only time you could get all of us to kiss your feet..lol.

The girls are getting sooo big and cute. They are getting their personalies now. Thank you and April for giving us them. I just wish I could see them more. I'm sure they'll love to come visit when they are older. I love you so very much! and miss my hugs and your smile. Loves and hugs and kisses always.

It's one of those days...just thinking about you all of the time lately. I hope you enjoy your Mardi Gras and Valentines decorations. Mardi Gras is just around the corner, so get your party hat on and get ready. The girls and I had a great time in the snow last weekend. Tagaen wasn't to sure about it. It's amazing how she is just like you in ALLL ways. I wouldn't want it any other way. I get to see you in her every month. Kenzlee on the other hand is the spitting image of your sister...go figure. Love them both so much. I still wish I knew exactly what happened that life changing night so I can move on, but then again i'm guessing you don't want me to know for some reason or another. Just wanted to talk for a bit. I love you always and always..

Well it's almost been 4 years since you were taken from us suddenly and it's not much easier. The roads have changed but life is trying to move on. Your girls are beautiful and so much full of your energy. It's funny how they have our personalities and the looks....oh Kenzlee she has them. Your nephews are a handful...all boys. I know you watch over them for Jess a lot but I wish you could be there to play with them. It's so weird to see Jess in Levi, but awesome at the same time. I am blessed that I was able to move here to be closer to all of you. I know one day that I will see you again with that big smile that warms my heart and soul. Grandma M is not doing well, but I know that when the day comes for her to join you that you will be there with your big bear hug for her. If there was gambling in heaven I'm sure you both would be at the first slot machine...lol Keep her close and I pray all will be ok. I want to thank the Lord for giving me a handsome Nephew so long ago. You made me so proud. Please be with your cousins on their trip to Haiti. I know it's for a good cause, but as a mama I will be worrying the whole time. They are my pride and joy and they love you so much. Keep the reins held tight. I love you always and always..

She might be kicking and screaming..lol December was rough on us all, but especially for your mom and Ricky. Kathy and O'Shay were their best friends as you know..please keep your arms wrapped a little tighter around them both. I know you were there with open arms to welcome them in. i just miss you.....
