

Adam Thommarson

April 13, 1984 - November 24, 2011

Adam Christopher Thommarson went home to be with his Lord & Savior on November 24, 2011. Adam was born on April 13, 1984, in Jinju City, South Korea. Given for adoption by a loving mother who desired more for her child than she could provide, Adam was received into his "forever" family in the United States on July 1, 1984. Two years later, on July 3, 1986, Adam recited the Pledge of Allegiance with thousands of others who became US citizens during the celebration of the 100th Anniversary of the dedication of the Statue of Liberty. Patriotism & love of country were a meaningful part of his life. Adam spent his earliest years in Carthage, Missouri. It was here that he learned to love the outdoors & that the idea of farming & ranching became important to him as he spent time with his grandparents, Joe & Oleta Thommarson, on their farm in Missouri. Helping granddaddy with the cattle & other chores was exciting to him & made a permanent impression on his life as evidenced by the abundance of cattle, horses, donkeys, & goats meant so much to him at his home in Kingsbury, Texas. Adam moved to Corsicana, Texas with his parents, Mark & Lori Thommarson, in 1987. He considered himself a Texan & adopted Corsicana & Texas with the same fierce loyalty he showed for all who found a place in his heart. Adam grew up in Corsicana, graduating from Corsicana High School in 2002, and from Texas State University in 2006, with a degree in Health Care Administration. Adam loved Texas Country music, Bluegrass, & contemporary Christian music, but his heart truly danced while singing along with the old classic hymns with which

he grew up. His number one priority was his family, and he eagerly looked forward to having his own someday, a dream he shared with his girlfriend of many years, Candace Often. A beloved friend long before she became a "girlfriend:", Candace was the person Adam had hoped to build that family with. He was also a fiercely loyal friend, and is already missed by those lucky enough to call him just that...friend. He had a big heart & an undying faith. He was excited to have found a church family at New Life Fellowship in Seguin, TX. Adam dedicated his life to caring for others and sharing the love of Christ with those in need. He was a true servant, always placing the needs of others first. Adam is survived by his parents, Mark & Lori Thommarson of Corsicana, paternal grandparents, Joe & Oleta Thommarson of Corsicana, maternal grandparents Earl & Charon Peterson of Medford, Oregon, girlfriend Candace Often of Kingsbury, Texas, her parents, Preston & Debbie Often of San Antonio, Texas & numerous aunts, uncles, & cousins all of whom loved him dearly & will miss him until we see him again in the presence of Christ. Visitation with his family will be Monday evening from 6 - 8pm at Griffin - Roughton Funeral Home. Funeral services will be Tuesday, November 29, 2011 at 2pm in the Chapel at Griffin - Roughton Funeral Home in Corsicana.

“ Mark, Lori, Candace and other family...we are so sorry to hear of the loss of our sweet friend and your precious Adam. We have such fond memories of him as a fabulous teenager who always had a smile on his face and never entered a room we were in without a jolly, "Hello". He was a person that always took time to check in old friends as I had just received a text on October 3rd. from him asking how our daughter, his friend, Melanie and her little girl were doing. I still have the conversation on my phone. God received a special man into heaven on Thursday...may God comfort and give you some sort of peace. We are praying for your family.

Sincerely,

“ Adam will be missed by all. He always had a smile when we saw him.

When Kathy's mom died in August, someone told her that people would say "sorry for your loss". However, the person wasn't lost, but merely relocated to wait for us in Heaven. I think of those words often as I get thru the days without my mother. Know that we are praying for you in the days ahead.

“ Lori and Mark,

I am so very sorry. I can't imagine the pain as a parent. Adam was so very special and I so enjoyed him not only as a child at FBC but also as one of his professors at Navarro. He was delightful as well as an excellent student. There are no human words. As you know, only God can give you that true comfort and peace that you so desperately need at this time. He will not disappoint; cling to Him with all your might knowing that you will be reunited. Our time here seems so long but in the grand scheme of eternity, it's only a blink of the eye.

“ Mark and Lori,

I was so terribly saddened about the loss of my friend Adam. He was an exceptional employee when we worked together at Medical Arts Clinic. He was so intelligent, always cheerful, and such a hard worker. I'm not sure if I have ever had someone as dependable as Adam work for me. The patients loved him. I still have patients that I see ten years later asking about Adam and telling me what a joy he was. I can't imagine the pain that your family is going through, and words cannot express how sorry I am for the loss of your son. I hope that you can find comfort knowing that Adam is with our Lord and that someday you will be reunited with him. I will pray that the Lord will give you strength in this very difficult time.

“ Mark & Lori, we are wrapping your broken hearts with the love of God and constant petitions to HIM to carry you, sustain you, and to bring you peace as only HE can. One day at a time until you see him face to face. May God pour strength into you. Adam was a vessel of honour unto his Lord and made a real difference in the lives of many people he touched we are sure. I know he was lent to the Lord all the days of his life to accomplish the purpose he was intended for. May peace enfold you today and all your tomorrows.

“ Mark & Lauri,
Know that you are in my prayers. I truly believe that from the day of conception, there is a time. I met Adam once or twice here at the WF, such a delightful and mannerable young man. Know that we serve an all knowing God who knows everything. A God that is with us all ways, even until the end of time. Take refuge in his word, and know that I care. If there is anything I can do please dont hesitate to contact me. May His spirit keep you and comfort you always.

“ Mark and Lori,

Hollis and I were like everyone else when we heard the news early Saturday. We just couldn't believe it. Although it had been some time since I had seen Adam, I know that he was still the polite, well mannered young man with the big smile that I had watched grow up at Berry's just like a lot of the other "employee kids". No words that we can say will ease your pain, only your faith in God can do that, but you are in our thoughts and prayers very much at this time.

“ My heart goes out to Candace and both families & friends who are all grieving the loss of Adam.

I had several opportunities at the Often's family events to get acquainted with Adam. In our interactions he was always bright, cheerful, frugal, polite, ambitious and disciplined. He had a plan for his life. I really liked that about him. He & Candace were working the plan.

He will truly be missed. B

“ I worked with Adam at whispering hills achievement center for about five months, before he moved on to different employment. Although I knew him for such a short time, I grew quite fond of him. He loved the kids that we worked with, and gave his all to his duties, making a difference in their lives. His winning smile, enthusiasm and zest for life were quite infectious indeed. I was not expecting to hear such news as I heard about his passing, because he gave so much to life. He added wonderful colors like a rainbow of his personality, and he will truly be missed everyone that in him. My thoughts and prayers go out to his family and friends. Cling together in your sorrow, for it only lasts for a night, till joy comes in the morning. We love you Adam!

During the short time we were fortunate enough to know Adam we came to care about him a great deal. He was always upbeat and willing to help anyone in any situation. “ *I wish there was more I could do to take away the pain of your "empty half". Candace, I know Adam was your other half and although I never met him, I have watched the way your face lights up when you talk about him. That is a gift most people never know. Cherish your memories! Share your feelings, talk to friends, continue with your plans. They say "time heals all wounds" -- it never completely fades, but it does get better! Let me know if there's anything we can do to help you through. Love you girl!*

“ The only thing I see when I picture Adam is his beautiful smile. He was always happy. He worked beautifully with the clients...he was one of those who really cared about others. I loved working with him on Fridays because he was easy to talk with, to give feedback to, and fun to joke around with. He always went above and beyond what he had to do. He asked me to give him work to do with the students on the weekends. I offered him lots and he took it all-information to read, IEP goals, worksheets... I was so happy to have someone on the weekend working towards the same goal as I was during the week, someone who actually felt the clients could make progress. He was really focused on one client who I had a difficult time getting through with. He said he knew she could do more. He believed in her. He was such a shining, good person. I was so sad when he told us he was giving his 2 weeks notice, but I understood. He was so smart and passionate, there were bigger and better things out there for him. I still missed the positive energy he brought to my classroom. I always wanted to get him and my husband together because I thought that Adam would be a good influence. I can't believe he is gone. It doesn't seem real and my heart breaks every time I think about it. But I feel that now he can be what he was so close to being in life-an angel watching over those he cares about and loves.
