“ *Scott, Mary and Bill,*

I am so sorry that I could not be there for your mother's service but wanted to let you know how special you all are and have been all of my life. Your mother and father have always been, as the obituary stated, models of dignity and courage to me and you three are no exception. I love you dearly and hope that the New Year brings joy and happiness to your families as you all surely brought to Eileen and Elliot all of their years. I hope to see you all soon. Happy and Donna

“ *Dear Middleton family,*

You were blessed with many years shared with Mrs. Middleton. Our sadness at the passing of a loved one is difficult, but also a time to celebrate the reward she has received by now being in the presence of the Lord.

We pray for your comfort in the Spirit of the Lord.

It was a great blessing for me to have known your mother. She brought such joy to our office everytime that she came by to visit. I don't recall ever seeing her without a smile on her face. She was always so proud of all of her family and loved to share about them. God Bless you and your family, the thoughts and prayers of my family are with you.
