“ *Johnny, James, and Melinda,*

Was so sorry to hear you lost your mother and my deepest sympathies are with you. I often reflect on those carefree days of our childhood and playing in the creek and getting into mischief. I have some good photos including one of you two boys standing on the creek when it had frozen over. I well remember the morning Melinda was born--have always thought of her each year on August 22nd--remember, we wanted to name her "Legs Caputo" after your Aunt Maydelle!! And of course I remember the Sunday morning when you lost your dad. Seems so hard to think that was 42 years ago. But then again, I'm thinking the three of you are now 47, 46 and 42 years old. In my mind's eye I can still see "Cootsie" and your mom sitting at the table playing Canasta. And of course I think of dog Tippy every time I think of your family. He lived a long life--was 15 years old when he died and such a good dog. As you probably know, Dad, Mom, and Zetta have been dead for many years and I left Texas over 30 years ago--but still have very good memories of growing up in the old neighborhood.

Take care. I'll be thinking of you and remembering you all in my prayers.

“ I am very sorry for your loss. I know exactly how you are feeling right now and I know that it is going to take a tremendous amount of time to heal. I also know that she is not hurting anymore just like my mother.

“ To the Family:
I was speechless when I heard of her passing. I met the remarkable woman when I was in 5th grade. That has been along time ago. Deaner, was such a loving person. Today, I just pray for the family. God has a plan for deaner and I know she is in a much better place full of loved one's she has missed. At this time I'm just praying for the family and tell each one of you that I love you. If you need anything just know I'm a phone call away if you need to talk.
