“ *When tomorrow starts without me,
And I'm not there to see;
If the sun should rise and find your eyes
All filled with tears for me;
I wish so much you wouldn't cry
The way you did today,
While thinking of the many things,
We didn't get to say.
I know how much you love me,
As much as I love you,
And each time that you think of me,
I know you'll miss me too;
But when tomorrow starts without me,
Please try to understand,
That an angel came and
called my name,
And took me by the hand,
And said my place was ready,
In Heaven far above,
And that I'd have to leave behind
All those I dearly love.
But as I turned to walk away,
A tear fell from my eye,
For all my life, I'd always thought,
I didn't want to die.
I had so much to live for,
So much yet to do,
It seemed almost impossible,
That I was leaving you.
I thought of all the yesterdays,
The good ones and the bad,
I thought of all the love we shared,
And all the fun we had.
If I could relive yesterday,
Just even for a while,
I'd say goodbye and kiss you*

*And maybe see you smile.
But then I fully realized,
That this could never be,
For emptiness and memories,
Would take the place of me.
And when I thought of worldly things,
I might miss come tomorrow,
I thought of you, and when I did,
My heart was filled with sorrow.
But when I walked through Heaven's gates,
I felt so much at home.
When God looked down and
smiled at me,
From His great golden throne,
He said "This is eternity,
And all I've promised you."
Today for life on earth is past,
But here it starts anew.
I promise no tomorrow,
But today will always last,
and since each day's the same way
There's no longing for the past.
Buy you have been so faithful,
So trusting and so true.
Though there were times
you did some things,
You knew you shouldn't do.
But you have been forgiven
And now at last you're free.
So won't you take my hand
And share my life with me?
So when tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right here, in your heart.*

I'm very sorry for the loss of Alicia. The world will not be the same.

May time heal your heart in some small way. Your family is in our hearts & prayers in your time of sorrow.

“ *God's Garden*

*God looked around his garden and found an empty place
He then looked down upon the Earth and saw your tired face
He put his arms around you and lifted you to rest
With the help of his angels they flew you to your heavenly place*

*Gods garden must be beautiful, he always takes the best
He knew you were suffering, he knew you were in pain
He knew that you would never get well on Earth again*

*He saw the road was getting rough and the hills too hard to climb
He closed your weary eyelids and whispered "Peace be Thine"
It broke our hearts to lose you but you didn't go alone
For part of us went with you the day God called you home*

“ *Alicia gave love and received love freely and often. She showed others how to live life with grace, selflessness, and great style. Let her footprints give you direction when you are lost. Forever be your guidance and inspiration to calm each others' fears, encourage wonderful dreams and respect each other. God in his infinite wisdom, knows what is in each of your hearts. And before you can even ask him your prayers will be answered, and each will receive your last good-bye, in a way only you will cherish for the rest of your lives.*

“ Birth is a beginning And death a destination But life is a journey A going -- a growing From stage to stage From childhood to maturity And youth to age. From innocence to awareness And ignorance to knowing; From foolishness to discretion And then perhaps, to wisdom. From Weakness to strength Or strength to weakness And, often, back again. From health to sickness And back we pray, to health again. From offense to forgiveness, From loneliness to love, From joy to gratitude, From pain to compassion, And grief to understanding -- From fear to faith. From defeat to defeat to defeat - - Until, looking backward or ahead, We see that victory lies Not as some high place along the way, But in having made the journey, stage by stage. A sacred pilgrimage. Birth is a beginning And death a destination. But life is a journey, A sacred pilgrimage -- Made stage by stage -- To life everlasting.

Alicia, You will be greatly missed.
