“Alicia was an incredibly beautiful individual with a gentle and sincere soul - a Proverbs woman. She was purposed for this life, that is who she was, it is who God called her to be, and she was very aware and was obedient to her calling.

I worked with Alicia on many occasions for over 9 years. She and I worked for the same company at State Farm. Her expertise was above reproach – she knew and did her job well.

“Sorry for your loss” seems so inadequate. You have my heartfelt sympathy. May you find some peace knowing that Alicia's spirit is free to dance in the light. God holds her in his hands... and you hold her in your heart. I am holding you all close in my thoughts and will continue to pray for each of you.

Wherever a beautiful soul has been, there is a trail of beautiful memories. The world is a better place because she was here.

“ I met Alicia in the 1980's when she and her family were in our church. Alicia also went to the Christian school that was a ministry of our church. She was such a sweet young lady. She would help out any way she could and was always asking what she could do to help. My husband Bill and I worked with the Senior Citizens and he taught the SS class. Mr. Poovey was a member of our class. She was like her Dad in so many ways. Bill and I loved the Poovey's. I am so sorry to hear of Alicia's passing. But this is not goodbye, we will meet again one day. My prayer is that you, her family, has God's peace that passes all understanding. Love and hugs. Mary Jo Hough

“ Dear Alicia, I love you and miss you so much. You were always ready and willing to help anyone in need. You didn't ask questions or why something was needed. You just offered to help and jump right in. So many times I needed help over the years and you were there. Thank you for being my friend. Much Love, Evie
