“ I wrote this Mama last winter of 2012..who knew...

Well..is Old Man Winter here..

My..how the time is flying..tick tock!!

I will soon be "60"and Mom "85"

The more time I spend with her..the better I feel..she needs me.

She holds my hand and sweetly thanks me for being there for her.

She lights up when I walk in the room,,like she has not seen me in days,,

The smile on her face is "Priceless"my Kodak memory of her I take to my Dreams...

and she is in my thoughts through out my days...

I see her little face as I set here typing this note of her now..her in her little space..

in a room..in a building ..down the road..from my house..with ..no one.

She needs all the Love and all her Family to be there for Her,,she is .. My ~Beautiful Mother~

Your mother was a wonderful person. I remember her tamales and all the times we tried to make some but they just didn't turn out the same. Lots of fun with her. You are in my prayers and God bless you all. Mothers are God sent.*

“ Mrs. Cobb, was a special precious lady. I was her therapist at Country Meadows during her stay there. She always welcomed me with a smile and kind words. She loved her children so much and would always tell me stories/memories of each of you. I am thankful to have known her, she will never be forgotten. My prayers and thoughts are with your family. May God be with each and everyone of you.
