October 21, 1948 - June 2, 2011

Allen Ray Fleenor, 62 of Mildred left this world to be with his heavenly father June 2, 2011. Allen was born October 21, 1948 in Sullivan County Tennessee to Eugene and Flora May Fleenor. He is preceded in death by his parents, Eugene and Flora Fleenor, two brothers, Larry and David Fleenor. Leaving behind to cherish his memory are his wife, Bettie Fleenor, daughter, Crystal Price and husband Scotty, sons, Shane Dickerson and wife Jodi, Clay Fleenor and wife Liz; grandchildren Megan Weldon, Dusty Price, Sammantha Dickerson, Dalton Dickerson and Payton Dickerson all of Mildred, Dakota, Colton and Triston Fleenor all of Oak Valley; one great grandchild Kaitlyn. “ *Words can't express how I feel especially when my 11 & 15 year old look @ me & ask "Mom what are we going to do this summer?" It doesn't seem real as I try & remind myself it is & this is really happening!! "Pappy" (Allen) has brought so much joy to our lifes. He has left me with so much wisdom & knowledge that I can continue to use as pass on to my kids. He would ask me "Crissy Baby whats for dinner or Crissy Baby wanna go crappie N?" We have made memories that will last & carry on forever. The mold was definately broken when you were made. Thank you Pappy for all you have done for me & the kids. My fondest times & memories were growing up on the lake bass N, lessons of deer hunting while u were the one who I was with when I had my first kill to scoping out that 25-06, first lessons of Carolina Rigging, to my first boat purchase as an adult, filleting a mess of crappie & so much more. No one can & will ever fill your shoes!! I could go on & on.... You will always be remembered but never forgotten. Each day I will continue to tell myself, Mom, & the kids that goodbye is only temporary!! I love you Pappy*

“ *Bettie I am so sorry for the pain and suffering you are enduring right now. I will be praying for you daily. Having lost a husband myself I feel like I can totally understand what you are going through. Lean on the Lord with all your might...that is how I got thru mine. I wish I had magic words to help you but I know you don't want to hear platitudes right now. Take care. Sue*
