“ *One thing I've always said about Allen. If you had to know him to know him but if you knew him, you were blessed to know a. Wry very special person. He could come across a bit crass. But as I said, if you knew him you knew that was just Big Al. Great person and could do anything in the world with you or for you, if he liked you. If not, you didn't have to wonder if he liked you or not. Lol. I was driving when I was told of his passing. Nearly had to pull over. Shock is not the right word. I still cannot believe he is gone. Wow. He will definitely be missed by his family and friends.*
