“ Dear Family, We have suffered a great loss. Momma can never be replaced. She was a beautiful, loving, caring, compassionate person. She was my best friend. She lifted me up when I was down. She taught me to be proud of who I am. When I was weak and in pain, I drew strength from her and daddy. Momma taught me about Jesus. I was her first born. I was privileged to have a few years alone with her and dad. After graduation, mom and I would play that marble game sometimes all day long. We would go buy groceries, wash and iron clothes, do things together. Those are cherished memories. She held my hand at the birth of my first child, Ginger, her first grandchild. She was so proud of her as she was all of her grandchildren. Thank you Lord for giving Alma Grace to me for my mother. I love you mom.

“ Some people knew her as Alma, Mom, Sister, or Grandmother, but I knew her as Maw-Maw. Maw-Maw we know you have suffered a tremendous amount, but no matter what the "Lord" above threw your way you could always manage to handle it. I just wanted to let you know how much I love you and will miss you, and thanks for being the one that I could turn to when I needed someone to sew the rips in my pants. We will miss you maw-maw and may you rest in peace. Love, Charlie, Charlcy, Amanda, "Little Charlie", and Cortnie.

“ My Mom is the most precious person I have ever had the privilege of knowing. She has always been there whenever needed whether it be by husband, children, grandchildren or any family member or friend. We all knew that she loved us very much. Mom sacrificed a lot for us and she is greatly missed. I don't believe there are words that can truly express the feelings I have, but I know that she is with our precious Lord and Master whom she loved very much. She is now pain free and no more tears. I love Mom very much.

“ I know her as Maw-Maw, as did the rest of my cousins and even some friends of the family. I never heard an unkind word come out of her mouth about anyone. She was always gentle with us grandkids, and would do anything to make us happy. She is an inspiration to me & I will never forget her. I love her very much. I know she was tired and ready to go home, but I will miss her. I know that she is rejoicing now and waiting for the day that we can all be together again. I love you Maw-Maw!

“ Dear Family,
Words can not express the loss that we feel right now. Mamaw is walking with her Lord. She is free from pain at last. She is young and beautiful. She is happy. I see her as a glorious angel looking down on us and smiling. She was one of the grandest ladies I have ever known in my life. I will miss her deeply. I love you all, Kathy

Please let us know if there is anything we can do to help. We love you, Robert & Bettie
