“ *My heart and prayers are with you and your children during these darkest of hours. The good Lord gave us the precious gift of memories, so when you feel blue go up there to your memory file and recall the many wonderful years you had with your father and your children with their special grand father.*

*Bless you,
Babbette*

“ *Suzie-*

So sorry for your loss. You and your kids are in our thoughts and prayers. Your Dad was so special to Sam, Mom and me. Wish all of our lost time could be made up, but I know it can't. I think of you often. May you find peace and strength through the Lord. All my love, Jen

“ *Suzanne and Family, we were so very sorry to hear about your Dad. Brett and I both know the pain you are feeling. I remember talking to him when Buck was in Heritage Oaks, he was so sweet. Keep all your beautiful memories of him close to your heart, as you know time will help ease the pain. You have many friends that care and will be there for you during the hard times. All our love...*
