“ *Sorry I was so far away from home--but all were in my thoughts and prayers.*

Aunt Al holds many and I mean many childhood memories. She always treated me like I was someone special and I never felt left out or not loved.

I'll never forget her snuff!!!! and the joy she gave.

God bless you all--she will never be forgotten. love, Billie

“ *My heart goes out to all of you--espeically Uncle Henry. My most vivid memories are her sense of humor, her love of fishing, her willilgness to help, and how wonderful her kitchen always smelled.*

My mother loved her with all her heart, and I will always see them together---

“ Aunt Al will always have a special place in my heart. She was the sister that my mother was closest to. I remember the night my daddy died, the hospital (in Marlin Texas) asked if there was someone to telephone. The staff then said it is best to call at least one individual to notify them. Without hesitation mother answered "call my sister Alyne". I share your grief in the loss of another loving lady. Deepest sympathy----Linda
