“ *So sorry to hear about your loss. We were in the same grades in BGISD. Just know that she was a lovely person and had many friends in BG.*

“ *I am so saddened by the death of Mozelle. Our parents were friends and we visited a lot as children. We went to the same school, rode the same school bus, and went to the same church as children. We didn't see each other much as adults. I just would like to tell her family how my heart goes out to them and will pray for God to help them at their time of sorrow.*
