“ Gale and Scott,

*I know I have not seen you all in a very long time so this comes a shock. Amy was my first ever neice and we were around each other a hand full of times when we were little. I am so sorry to hear about Amy.....I remember my favorate picture of her was her hanging by her hands and feet off of her wooden crib, in her pamper. Oh yeah, and also trying on a pair of Scott's pants when she was about a year old. Also, her picking up eggs during Easter with Charlene and me. How I wish that time did not distance us. I want to talk and see you all so very badly. Please take my # 832-647-3223. I pray for you and carry this in my heart. You are my family not matter what degree of seperation....*
