“ *Aunt LaJuan, you were a light in my life. I was always proud to be named after you. I always looked to you to become a lady. You gave me my first make up and a book to show me how to put it on. I remember the Thanksgiving and Christmas's at your and Uncle Don' s house in Corsicana, and your hardware store. You made me feel special. I love you and will send special thoughts for you and Uncle Don.*

“ We always called her LaJuan. She and I had discussions about my sister being named LaJuan, spelled just like hers, and they were the only two people I knew with this name.

Her husband, Don, was our salesman for Owen Hardware. She and I would visit years ago right after we purchased the store, and when we went to the hardware shows. After Don retired Steve, their son, was our salesman. Don, we always loved you and your family, and I am so sorry for your loss. I have such fond memories of LaJuan as she was very helpful to me. May God comfort you and your family, and may he be very near to you in the weeks ahead. I am sorry I did not know earlier of her passing. God bless you.

Love, Pat Owen

“ LaJuan was one of my favorite people in this world. I am proud to say she was at the hospital the day I was born. I always thought of her as my 2nd mother. I loved her laugh, her smile and how she cared for everyone in her life.
