“ *Dearest Julie, Bill, Kristen and Matt,*

We are so very sorry to hear about the passing of your mother and grandmother.

I know she loved you all deeply and you were fortunate to have had her close to you for these many years. Losing a mother is never easy, even when, at times, one might get a bit frustrated. Schief's mother died at 93 and mine at 100. We both still feel the loss and often, when we visit the cemetery in Decatur, we have a little visit with them and our Dads. We send our love our sympathy and wish you the happy memories of a life well lived.

We love you all....

“ Julie and Bill we have great memories of your mother and will cherish them. We laugh often of when we would call her and she would say I can not talk now I am too busy to talk. And will always be thankful for your parents letting us hunt your ranch. As always if we can help you out anyway down here in Calliham please call.

She was a kind person who loved to share stories of her travels and experiences in life, a person with much knowledge to share for those who would listen. She was and is a cherished friend to many and will be missed and thought often. Safe traveling on your last journey Ms. Ann, I've no doubt you will enjoy the sights. With much Respect and Admiration, Rebecca.
