“ *I will miss the calls I have made to my Loving Sister to recover our Mothers wonderful recipes. They were always rewarding and great to have her knowledge, the banana pudding, beef stew, turkey dressing and others. The paintings she gave to me are great. The Christmas cards she hand painted were very original , the painting she did of me is worth more than anything. I will miss you Sis*

“ We met at Buckner Baptist Children’s Home in 1964. We were houseparents in a one floor teenage boys of two to a room. About 24 to 30. Ann and Harold had 3 floor building. Way too many. They had all ages I think. Many years have passed since then. The husbands were going to seminary in Ft Worth and worked with all the boys as well as Ann and I. We both had children with. I had 2 girls. One under School age the other in first grade. I thought this can’t work but under Gods leading it did ann had 3 with them. Older. So when we had a day off o holiday the houseparents from all the about 14 dorms. One week in I remember the Moys and us stayed in one tent. Both the men we’re snorers so Ann and I found us sleeping out in the cars. Had a wonderful trip and lots of laughs. We became like family and I loved them and love them still. God was directing each step of the way. He was faithful each step of the way. Norman and I stayed with Buckner for 29 years. I thank God for His gift to us of Harold and Ann Moye. 🙏😊🙏❤️
