“ Mom was indeed a "shining star," a Christian sister, and a wonderful example of a life well lived. In the first year of my marriage to Sheila, I was at once amazed by her moxy and sheer physical strength when we pushed hay bales off a tall stack faster than I could load them on her truck! The only thing stronger than her indomitable will and determination, however, was her calling to serve others. This she did so with love, with consistency, and with heartfelt dedication. Our lives are dimmer, but Heaven is brighter on account of Geneva Henderson Bonner. Until we meet again, blessings and peace upon you mom. Your race is complete and your prize is sure. Lord Jesus, thank you for sending us mom for but a season on this Earth. We eagerly await the glorious reunion that awaits!

Listen, I tell you a mystery: We will not all sleep, but we will all be changed--in a flash, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, the dead will be raised imperishable, and we will all be changed.

I was checking the local paper while working here in Kosovo. I wanted to let you know that you, Wayne and the family are in my prayers. Your mother was always friendly and warm to Tandra, the kids and myself. Ya'll will be in my prayers and thoughts for the coming days.

“ *Susie, John F., and Family,*

I pray that God will give you comfort and strength at this difficult time. I didn't know Mrs. Bonner, but any woman that was loved so much by her daughter-in-law must have been a special person. I had that kind of relationship with my mother-in-law and I miss her every day. Those of us who are given such a wonderful "second Mom" are indeed Blessed.
