“ Anna and I met when we were in Piura, Peru, on a church mission. She was 70 years old and still stood for 8-12 hours each day to work as a surgical nurse. We shared a sleeping room, and I got to know her through her kindness and love of God. I saw her many more times at our church in Edmond, OK, and always enjoyed her positive spirit. I will certainly miss her and will pray for her as well.
