“ *Anne was a very loving aunt. Who was very misled by a very sick person.*

Joyce you have struck gold. You have waited all these years to hit paydirt. Good luck with your very black greedy heart.

Do not every call me your long lost sister again. I only knew you are a backstabber nigger. Also with Margaret you two are peas in a pod.

IF daddy had left a will you would have been cut out. All you thought about was how much money you were to get.
