“ *I love you dad. We never met in person but you tried. you were almost here. I will never forget you, you took a big piece of my heart. I wish we would have met while you were still living. i came and gave you your hug you wanted when you said you were on your way. you almost made it & i just dont understand. im not mad at you. i promise. i love you & thank you for trying to make things right. i promise i will take care of your truck you wanted me to have. your memory will live on in my heart. i miss you old man. i love you so much*
