

Anthony Butler

September 26, 1999 - February 19, 2023

Anthony Butler – precious child and friend of many - passed away on February 19, 2023, at the age of 23 in Corsicana, Texas.

Anthony was born in Ft. Worth, Texas and adopted by Paula and Scott Butler in 2001. He was joined by his sisters, Pam and Tessa, and loved by so many including his maternal Grandparents, Don and Sylvia Wiley, paternal Grandparents, Mary and Donal Butler, Aunt and Uncle Suzanne and Mark Wiley, Cousins Marianne and Steven Wiley, Sanela and Thomas Wiley, Aunt Julie Moody, great aunts and uncles, cousins, and many precious friends including Mitch Melendez and Peter and Kenna Sinclair. His one special love was Nayeli Lara, who he held dear in his heart for the past three and a half years.

He graduated from Corsicana High School in 2018, attended Henderson State University, and completed an apprenticeship with Bombardier Aviation. He became a certified drone pilot and used this to provide aerial photography services for realty businesses, and on top of this, started his own business selling shipping containers. Anthony had many interests, and especially took pride in all his cars that have come and gone, including Festivas, dirt track and drag cars, mustangs, and his new up and growing hot wheel collection. He turned away from the new and shiny, as he once said, “the uglier, the better.”

The Lord sent him to us to love, cherish, and laugh for 23 years before he took him to his heavenly home. We are forever grateful for the time we had

and honored for the privilege of being his parents, family, and friends. Our hearts are breaking as we loved him so much, but we rejoice in the knowing we will be with him again one day. He will forever be our #99.

Visitation will be held Thursday, February 23 at Griffin Roughton Funeral Home, 1530 N. 45th St., Corsicana, Texas. Memorial service to be held at 2:00 P.M. Friday, February 24 at First Methodist Church, 320 N. 15th Corsicana, Texas.

In his memory, donations may be made to the Dallas Hearing Foundation or the Texas Baptist Home for Children, Waxahachie, Texas.

“ I loved taking pictures of all my students and Peer Coaches in Turning Points. The year Anthony was assigned our program, he and I immediately clicked. I loved his cynicism, infectious laughter and hilarious stories. But he refused to smile for me in any photo. One day I caught him smiling, and captured it. I was so proud of myself. He called me sneaky! I told him “No I was a Mom” and that was called smart and opportunistic. I was actually proud of myself for finally getting one over on Anthony.

Anthony had the most amazing beautiful smile, and once he met Nayeli, he never stopped smiling.

God graces us with individuals like Anthony to teach us to love more passionately, live more adventurous, and give without asking anything in return. Heaven just got a lot more adventurous and a whole lot more humorous.

“ *My sweet Butler family, words cannot begin to describe the sorrow I feel in my heart for all of you. I keep trying and failing to find the words to describe what I'm feeling, but ultimately I just feel numb and sick. Despite being an only child, I always viewed Anthony, Pam, and Tessa as my siblings when we were running around on Elmwood. I keep trying to rely on those cherished memories of which there were so many, and I'm so thankful I got to spend my childhood with such a special crew. I am sending y'all all of my love, thoughts, and prayers and I'm so sorry I can't be there to comfort and grieve with you in-person during this painful chapter. The world won't shine as bright without Anthony.*

Love y'all with everything I've got.
