“ *This man was the. Best grandfather that a kid could ask for. I love you so much paw paw. I won't ever forget our 4am coffee talks, lunch in the same booth at the diner and always being the early bird to the Garage sales. You were always there for me, no matter what you always had my back. I love you so much Paw Paw. I will always cherish all of the memories we've had together. Until we meet again.... I love you.
Love your grandson,
Cavy*
