“ When I was a little boy, maybe 5 or 6, rode in the pickup with Jerry, Danny and J. C. From that time on, I can remember hundreds of times with the "Jones". Running around on the creek bottom with Danny and Jerry, or selling goldfish from a tank with Jerry... or walking to the ballgames with Dwayne. Always Mrs. Jones was very nice to me. My mother thought a lot of her too. ?Maybe they worked together somewhere? Thanks for the memories of your family.

“ i remember when i was about nine years old on a Sunday going to my memas house - she had the car races on and told me they were her favorite thing to watch. She loved car races. She would have loved formula 1.
