“ Dear Davy and Chris -

We are so sorry to hear about Aunt Barbara. She will always hold a very special place in my heart. I always knew she loved me and her hugs just made you feel like you were special and meant the world to her.

Even though our time together in the last several years has been limited, it always seemed like yesterday that we saw her.

We will keep each of you in our prayers and wish there were words that could make this easier for each of you.

We love you very much!

“ Ms. Barbara was one of the strongest godly women that I have ever met in my life. She was my friend, counselor, and sister. I love her so much, and miss her more than words could ever say. I pray peace and comfort for all of her family, whom she talked about all the time and loved so very much. She has forever impacted so many lives for Christ and her memory will live on inside all those she planted seeds. She is a fighter and I pray that I will grow up to be like her. What a legacy she has left!!!

“ I am so sadden to hear of Ms. Barbara's passing. I worked at McCoy's when Ms. Barb came in after hours and needed a door immediately. I was happy to assist her to make sure she was taken care of. She asked me to stop by her store and from that day on, she would have my coffee ready at 7:30 everyday until I moved away. That was the best coffee ever. I guess it's because she made it with love. She always expressed how grateful she was and would never forget. Ms. Barb was a very wonderful, kind and generous woman. I feel blessed to have known her. My condolences and prayers go out to the family.
