“ Jimmy & David,

Mom and I were very sorry to learn of your Mom's death. My Mother had seen her more recent than I. Barbara stopped by one day about 3 years ago!! Mom was always happy to see Barbara. They were friends from way back and Mom always valued Barbara's friendship. We loved your Mom, she was one of a kind. Always so very sweet. We will keep you all in our prayers today and in the day's ahead.

“ *We laid my mom to rest this past Wednesday. The hardest thing I have ever had to do. My mom was a very loving and caring person. She adored her kids as well as her grand kids and great grand kids. There was never a day that went by that I did not tell her I loved her. Mom we will miss you however we will meet again soon. I love you so much!*

“ *Jimmy, so sorry to hear about your mom. When we in elementary school I thought she was the pretties mom ever. You remember she took us on our first date valentine's day to the church I think to play the newlywed game. I didn't know my memory was that good.*
