“ What a sad, sad time this is. We had a lot of good times together through the years. Although I haven't seen you in a very long time, I will never forget all the laughter and fun we had together. I pray for peace and comfort for your family and children during this most difficult time.

“ *My heart is breaking my girl. All the good memories I have of growing up, your in all of them. Being with you as children made every family event more special when I heard that Babba Ann was going to be there! We never left each others side. Even though we grew up and grew apart, you were and will always be in my heart. All I can think about now, is your with papa, the one place you and I both longed to be. He loved us when we were unlovable. Save a place for me up there with him, cause I'll be there, and we are gonna be doing our little dances til the angels come home!*
