“ *The Angels of paradise sing for the new member of GOD's eternal kingdom.*

For GOD has not given us the spirit of fear; but of power, of love, & sound mind. Barbara fought a good fight & finished her course by keeping the faith. Henceforth is laid upon her Crowns upon Crowns of Righteousness, & ever lasting life. Robed in White like a tree planted by the rivers of water, that brings his fruit, who's leaf never withers. Whatever she may do will prosper. And in this peace she has enter into forever rest. She will be missed, but never forgotten. And in due time, we the survivors can walk together in divine protection of all evil.

In CHRIST Our LORD's love >

“ *I Would not live Always*
written by W.A. Muhlenburg

I would not live always
I ask not to stay
Where storm after storm
Rises dark on the way

The few lucid mornings
That dawn on us here
They are followed by gloom
And beclouded with fear

Who would live always
Away from his God
Away from yon heaven
That blissful abode

Where rivers of pleasure
Flow o'er the bright plains
And the noontide of glory
Eternally reigns

There saints of all ages
In harmony meet
Their Saviour and brethren
Transported to greet

While anthems of pleasure
Unceasingly roll
And the smile of the Lord
Is the feast of the soul

God bless you, and keep you in your time of grief.

“ *May you find the courage to face tomorrow in the love that surrounds you today. At this time of sorrow may these truths sustain you.....your loved one will always be as close as a memory and the God of all comfort is always as close as a prayer. It will be the little things that you will remember the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memory of these little things that help to push away the pain and bring the smiles back again. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5*
