“ Aunt Jane,

You are loved so much. When mom passed you became even more like my mother. I could call you anytime and I knew you would be there to listen. I love you and will miss you dearly. The only thing that makes this a little easier is that I know you are with Our heavenly Father and those that have left us already. Someday we will all be re-united, but for now it's just See ya later.....as mom said before she passed. So with lots of prayer and God's strength for your family, we will celebrate your homecoming and we will See ya later. Thank you for all the talks, tears and most of all you LOVE.
