“ Our thoughts and prayers for our Texas family. We are lucky to have Blake in our family to tell us all of his Buddy stories. He was a "hoot" as Amanda said and she adored him.

We were not fortunate enough to meet him but his legacy will live on in Blake in all of his memories and funny stories. Rest in Peace Buddy

Lots of love,

“ Our deepest and most sincere condolences and prayers are with BC's children, grandchildren and family.

*Living in Florida, we did not have the pleasure of meeting BC personally but we have been able to meet and enjoy spending time with members of his family.*

*In particular, his Grandson Blake (and amazing wife, Amanda), are some of our very best and most trusted friends and we spend all the time we can enjoying their company. It is through the wonderful stories and memories Blake has shared with us about his beloved Buddy that we feel very close to him.*

*Our feeling is that many of the awesome traits that Buddy was blessed with, Blake is blessed with too. Buddy had to be one of God's greatest creations to have a Grandson as awesome as Blake and he did an amazing job teaching Blake great life lessons that help make Blake one of the coolest, smartest, loving, caring, trustworthy true Patriots we have ever known in our lifetimes.*

*Rest in Peace Buddy and please know as I type these words, that you are thought of often and fondly even in your passing and we will continue to enjoy your wisdom through your Grandson and amazing soul, Blake.*

“ *B.C. Barlow "Dandy" (Henry Fonda look-a-like) had a great sense of humor and loved to tease. He always had me laughing every time I was fortunate enough to be around him. Two of my grandsons, Benjamin Charles & Samuel Mack, happen to be two of his grandsons, too. He was a fantastic grandpa. I would never want to compete with him as to which of us was the most fun grandparent.....because I knew he would have won!*

*To B.C.'s family and friends:*

*"I have fought the good fight, I have finished the race, I have kept the faith. Henceforth there is laid up for me the crown of righteousness, which the Lord, the righteous judge, will award to me on that Day, and not only to me but also to all who have loved his appearing." Timothy 4:7-8*

“ *The funniest jokes, the tightest hugs, the most Honry spirit and the bluest eyes I've ever seen. That's uncle BC. I think back over 45 years and cannot think of one memory of him that didn't include a giggle. My life has been enriched by his love and presence. My condolences and prayers are with his children, grandchildren and the remainder of our family. Uncle B. will be missed and wore shoes that could never be filled.*

*One in a million man, our Uncle B.*

*- So much love and gratitude in his honor –*
