“ *I liked Beau for the time he had with my kiddos and being in their life. He was a good man. He always had a story to tell whether it was short or long. One summer evening in 2013 we sat on my patio talking about a family I was connected to and come to find out so was he. So funny how paths cross. I am praying for the family to have joy in their hearts knowing Beau is in heaven.*

“ When mom and dad got married it was a shock to us all. He said he'd never get married again, but he loved her so very much that he changed his mind. They had 14 happy years together, 2 of which they were married.
