“ I knew Becky from doing craft shows with her & her mom. When my youngest daughter gave birth to a preemie years ago, Becky bought preemie diapers for her through the hospital at her cost to help us out. At that time, you weren't able to buy things for little ones like you can now. She was always so much fun to be around.

“ I worked with Becky at the hospital. She was always in a cheerful mood and helped me in whatever I needed. Oh how she loved Elvis. It was always fun to go to her office to see what new Elvis item she had gotten and to learn something about Elvis I did not know. I will always remember her standing in the kitchen of my home when we lost Aaron. She was such a reassuring person. Heaven is surely blessed with
Becky.

“ Dear Beth,
We were so sorry to hear of your mother's death. She was a special lady. We will always remember how positive she was as she brought you to the day care as a young child. She was always willing to help in any way possible. In fact, she supplied us with tongue depressors (at her cost) for some time even after you attended the day care. She loved you so much. I know that you will miss her dearly. Please come by to see us so that we can give you a big hug. You will be in our prayers. Love, Miss Debbie & the Candy Cane Gang

I pray for strength and comfort for all. Becky was there all through Susan's hard times and seen her through it, such a great and wonderful person, friend. I love her. She loved my lil Bill and made sure he was to get candy when he came to work with Susan. She made sure that I had someone to walk out to the car with me when I had late nights, then she would be there in the morning to say good morning to me. She was such a beautiful person and I am blessed to have known her, we all are blessed to have known her and have her in our life. God Bless, and many prayers.

“ Ms Becky! Thats what my kids would exclaim when they saw her. She always had a treat for the little ones or a word of advise for the older ones. Her advise always included words of encouragement that let you know you could do anything. Becky loved music and could always find me some rare song that she considered a must have and would insist on getting me a copy. She was a dear lady and is surely making everyone in Heaven laugh by now. I will never forget her.

“ Becky has been a part of the Gross family for so many years. My sister and I grew up calling her "Aunt Becky". She was a dedicated, loving, and joyful woman. God makes no mistakes, he calls his "BEST" home! She was so dear to us and we will miss her tremendously. Beth, we're just a phone call away. We love you! Look to the hills from which cometh your help, all your help comes from the Lord! Your mother would want you to be strong, so cast all your cares on God during this time of sorrow! Stacy

“ When I think of Becky Griffin I think of a Godly woman, and a Mother figure. We all know that her daughter Beth was her heart, Yet still she had room to be there for us young girls at the hospital. She often gave us good advice on men and children,,and life it self. She knew how to throw awesome christmas parties , and she was a blast to be around , hard worker dedicated employee who will truly be missed.To the family I want you to know that you are in our prayers. Please keep your hand in Gods unchanging hand , and look to him for all guidance , and strength.

“ I will miss the witty retorts and the warm motherly figure that Becky was to me. For the short time I was acquainted with her, I found respect for her authority and admiration for her skills as a leader. Even though the impact she had on my life was small it will never leave my mind or heart for the rest of my days.

I look forward to meeting again when the time comes. Till then your presence remains with in me, even though it may not be around me.

“ Mon. through Fri. after my children the first face I saw in the morning. You always had a smile and something funny to say to get the day started. You were there for me so many days to comfort when my daughter went away in the military and my heart was breaking. You were a true friend in every sense of the word. Always a kind word and generous. The first to step forward and help out a friend, co worker or resident. I admired your ability to overcome.....pain, words, circumstances, hardships, and rainy day blues. You have touched me. I am thankful and blessed to have known you. I love you my friend.

“ Beth & Nita,

Becky was a very special lady. She was so proud of Beth. We spent many minutes discussing our band members and had a great time at the Tiger games.

She was a joy to work with. You could depend on Becky to help when you needed it or get the job done that needed doing. For so long, she remained in the background, doing the work while others got credit for it.

I hope she is enjoying her reunion with Sandy. Heaven is a richer place.

She was like a Second Mom to your other sister Rosie, of course you know that.

I will always appreciate all that she did for Rosie. Stepping in for the things I didn't know how to handle, even though she didn't know how much she helped me.

“ I can not say enough to begin to impart how much Becky meant to me. She was a friend that I will miss dearly. I will never forget her witty and fun loving spirt. She could pull you out of the dumps a heart beat. She always had a smile for everyone and was a true friend in all aspects of the word. She thought of others always first. She gave more than her share to each task and did so willingly. People like Becky are in short supply. My prayers are with her family, Beth, Nita and all for understanding and peace at this time.

“ Becky was a dear friend. Becky and I had worked together for a really long time. She was always willing to help and she would always know what to do.
Jody and I enjoyed her humor, her jokes, and of course her candy. She was always there to lend an ear when you had hard times or troubles. She would always give words of encouragement. I am so sorry that I didn't know she was having problems. She would send me e-mails and text messages and I hadn't heard from her in a few weeks. I should have known something was wrong.
She will be greatly missed by all who loved her.
We will be praying for all of you.
