“ I was a member of Oakley Chapel UMC in Rogers and met and loved your dad. He gave the best hugs - but only if I assured him that my husband wouldn't mind! He would sometimes say a few words in Spanish to me if I greeted him in Spanish. Such a sweet loving man. I loved the way he looked at your mom while she was still alive - as if she was the only woman in the world. This world has lost someone special. But I am sure that if we could listen hard enough, there is a big welcome home party going on in Heaven right now.
