“ Our hearts go out to the family. Bennie was always the life of the party with his boisterous laugh and corny remarks. He really made us all laugh. One of the funniest memories is when he was coming down the middle of the road on his riding lawnmower. Our daughter, Candace remarked how Bennie was like a second dad. He use to call Hope, Candace and Emily, 1.2.3. He'd say "Here comes 1, 2 & 3". He will be truly missed. Hope, our prayers go out to you most of all. No child should have to endure what you've had to. Just know that your mom and dad are together now and ALWAYS loved you. If there is anything that you ever need, our family and your friends/family will be there for you. Stay strong and our prayers are with you.

“ *Bennie "Hamburger Hanna" You will be missed dearly. I will miss your quirky jokes you always told in the office. You were one of my most favorite customers. You never meet a stranger and always had us laughing till our sides hurt. I have a peace that you are gone because I know you are with your beloved wife again!!!! We may miss you here on earth but know that you are in a much better place than we are. My thoughts and prayers go out to the family left behind. He was my friend for a number of years.*
