“ Sending thoughts and prayers to the family. I just found out. Benny was such a good person. When my Granny was on hospice he came and prayed with me. He was such a selfless person. He also officiated our wedding in 2011. I know him and Granny are cutting up in Heaven.

“ Back in 2001 when my significant other and I moved to Corsicana Benny was reading water meters. He took the time to converse with my friend John Smick who was a wheelchair bound veteran. He invited him to church and we both attended Angus Baptist for a number of years. He and John became good friends over time and as John's time on earth was done Benny and Glenna and the church made time to give a wonderful memorial service. Benny was a good father and a good preacher. I send my most heartfelt prayers to Glenna and the rest of the family.
