“ *How we will miss Uncle Berlin! I will cherish all the memories of he afforded me. His "swimming hole" where we spent many a hot Texas summer day. He even had a diving board built, just for all us "young'uns"! He always gave so freely to us nieces and nephews who grew up poor, and made us feel like true royalty. What a very speacial Uncle.*

Barbara, Beverly and Becky, may you find peace in your heart during this trying time.

*With Love,
Tinket*
