“ My deepest sympathies for Bernita's family. To her beautiful daughter's: Your mom was a beautiful lady. She always had a smile for everyone around her. While working with her at Tom's Foods she was always willing to help anyone that asked. She was a hard worker and always took time to say hello.
I know she will be missed by many people. I pray that GOD will place his healing hand upon your family during this time of sorrow.

“ Just wanted you all to know I'm thinking about you at this time. I remember coming to Benita's and Sid's wedding with grandma and grandpa Dickson seems like just yesterday. It's hard to understand why things like this happen, but know she is in a much better place with no more pain. Love to all the family and our thoughts and prayers are with all of you.

“ *Bernita's sweet spirit and gentle nature will be truly missed. She was a joy to see each day and was always concerned about everyone else. Her birthday party meant so much to her she talked about for days. She obviously loved her family and appreciated the little things in life. My prayers are with each and every one that loved her.
God bless you all with His peace.*

“ *To the Family,*

From the first time I met Bernita, I liked her. She was a warm, fun person to be around. She taught me alot about what a true person is. She was true to herself and to the people around her. There is so much I could say. The memories I have when I think back at what made her smile. The laughter she could bring into a situation to make it better. The words of wisdom she gave me when I first started at Tom's, I have carried through to this day. Of course, I smile when I remember how mad she could get also. (and we have all seen it:)) but the love she had for her daughters was so great she let me know that was her life.

GOD is good. Everything he does he does for a reason. Do not give up on that. Do not blame him. You were touched by one of his angels and it was her time to be rewarded. Pass on her love and memories and she will live forever.

May GOD take care of each and everyone through this time and always.
