“ *Hollis, Darlene and Linda,*

My thoughts and prayers are with you today. I know how hard it is to lose your mother. Just rest assured that she is in a much better place where there is no pain or worry.

Just wanted to share a little remembrance with you today. I remember when your mother, daddy, and Hollis moved to Purdon. I thought your mother was one of the most beautiful women I had ever seen. She was beautiful, and I soon learned she had an even greater inner beauty. She remained that way her entire life.

May God bless each of you today and all of your families.
