“ James, Paul and Philip

My thoughts and prayers are with you today and in the days ahead. I loved your mother -- and remember her as my Sunday School Teacher growing up. She was such a nice person .. I still remember her at Woolworth and how nice she was to everyone. She is in a better place now, and will be there to lead you all home when your days on Earth are done.

“ Paul (and family),

I am so sorry to hear of Irena's death. We worked together at Woolworth in 1971 and 1972. She was such a sweetheart and a great lady. She was never one to sit around griping about work or any of the employees. I admired her for her genteel qualities.

Whenever I saw her around town, she would always let me know how you were doing. She was very proud of her boys.

You were a special friend in school and will always have a place in my heart. My thoughts and prayers go out to you and your loved ones.
