“ *Aunt Sue (Ms Crocker) was a very special woman with a heart as big as Texas. She spent most of her adult life taking care of others and asking nothing in return. I love her very much and will miss our talks on the phone. Wish I could have spent more time with her. Love you Aunt Sue.*

“ Betty... What a lady!

I have spent many a night at their house, during my school years with her daughter, my good friend Kathy! Betty was always fun to be around. You even had fun with Betty, running errands.

I know us kids could be a handful but... I don't remember her ever loosing her temper and getting mad at us. Their home and store was always a welcome place for all the kids and adults in Navarro.

You could not think of Navarro, without thinking of Betty Crocker.

Bill was always a hard working, quiet man. I remember Betty would cook him pinto beans and fried potatoes everyday. He loved them. He would come in and eat and get in his chair and watch tv. Always liked Bill!

I remember when Bill was in Twilight Home, Betty was there everyday... still amazing me!

I think they went together and that is the way they would of wanted it!

I just want to say Thank you Betty and Bill and of course Kathy for all the fantastic memories!
