“ *I am so sorry for your loss Debbie. I remember your mother from many years ago when your family lived next door to my grandparents. Your mother was always so nice.*

“ *I remember one time I sat next to Aunt Betty at church and I told her she smelled so good! The next week at church she brought me a wrapped bottle of the Jovan musk perfume she was wearing! I will occasionally pick a bottle up from Walmart and the smell still reminds me of Aunt Betty! She made a tremendous difference in my life! She always lived out what it meant to love others! I also remember going out to her house for Christmas! There was always so much food, laughter and love! She will forever be a sweet memory and I cannot wait to see her again some day in heaven.*
