“ *To you as a family, you should know how well liked Betty was at Navarro Regional Hospital. She was kind, very smart, hard working, sensitive and a joy to be around.*

We talk about her fondly from time to time and Heaven is blessed to have her now that she no longer resides in our world.

“ *To Betty's Family - I had the priviledge of knowing and working with Betty for many years in the OR at Navarro Regional. She was one of the sweetest, hardest working people and set an excellent example of what medical care is all about. She will be deeply missed. May God's peace and comfort be with you all in this time.*

Blessings...

“ *There will come a day when the tears of sorrow will softly flow into tears of remembrance...and your heart will begin healing itself...and grieving will be interrupted by episodes of joy...and you will hear the whisper of hope. There will come a day when you will welcome the tears of remembrance...as a sun shower of the soul...a turning of the tide...a promise of peace. There will come a day when you will...risk loving...go on believing...and treasure the tears of remembrance. All those sleeping in their graves will wake up and sing for joy. As the sparkling dew refreshes the earth, so the Lord will revive those who have long been dead."-Isa. 26:19.*
